

Early Childhood Educator

The East Preston Day Care Centre is looking for trained Early Childhood Educators with a NS ECE classification certificate of level 1, 2 or 3, or school aged approval.

You must have a valid Vulnerable Sector Check, Child Abuse Registry Check & First Aid & CPR with level B or C course.

When working with us, you will be responsible for constant supervision, safety & well-being of the children, along with providing a safe, loving and caring environment, staff all share the responsibility for programming, preparing & implementing stimulating, age-appropriate activities that encourage children's creativity and learning to promote each child's social, emotional, cognitive & physical development.

We believe it is very important to be able to establish and maintain communication not only with your coworkers and children, but also with our parents.

You must also understand and implement our routine & daily practices, as well as respect the policies of our centre.
