

East Preston Day Care Job Opportunity

Parenting Journey Home Visitor (Designated)

Designation Status

Please note, this opportunity is designated to the following diversity group: African Nova Scotian. Please ensure you self-identify to be considered for this opportunity.

East Preston Day Care (EPDC) has since 1974 operated a day care for infants, preschoolers and school age children for East Preston and surrounding communities. Its services have included a variety of outreach programs, through Family Resource Centre.

The Parenting Journey is a home visitation program that provides support for families experiencing complex social, emotional and familial challenges. Parenting Journey Home Visitors work collaboratively with families to build meaningful helping relationships while collectively identifying strengths, resources, challenges and priorities, using a holistic and harm reduction framework.

The Parenting Journey Home Visitor will provide support to families and their children age 3 to 16 years in the following areas:

- child/youth growth and development
- parent-child relationships
- parenting knowledge and skills
- family life management
- community connections and referrals

Conditions and terms of employment will be discussed with those chosen for interviews.

Salary Range: \$40,000-43,000.00 including benefits

We thank all applicants for your interest in EPDC Family Resource Centre however only those candidates selected for interviews will be contacted

Responsibilities

- Specific duties include:
- Working with families to determine families' strengths, resources, and areas for development, priorities and needs.
- Developing goals with families using a formal goal-setting process.
- Developing and implementing individualized family plans in a collaborative manner with families that outline goals, strategies, roles and responsibilities and timelines.
- Making referrals for families to other formal/informal supports and services.
- Participating in regular, weekly supervision and informal debriefs.
- Participating in case conferencing that includes families and other service providers.
- Participating in ongoing training and mandatory professional development.
